Here's what's happening at TPBC

## *Fall 2009 Season Friendship Tournament a Success*

Thanks to our members and their parents for making the Fall 2009 Friendship Tournament a success! We certainly enjoyed watching the players take the game seriously one minute only to break into peals of uncontrollable laughter the next. New friendships were definitely formed!

Altogether, twenty-five participated in competitive boys doubles and girls doubles games and matches. For a majority of the players, this was their first or second "formal" badminton competition.

The TPBC coaches appreciate the efforts of guest coaches Woodrew Chao, Chinese Cultural Center in Irvine and Helen Tung, Irvine Badminton Club at Irvine Valley College, who brought some of their newest players to participate in the tournament. Consider this an invitation to the next competition! We're definitely looking forward to hosting the Spring 2010 Friendship Tournament in mid-March.

# Academic Advisement

Do you know a child who needs academic support or enrichment?

While waiting for the next badminton season to begin (February 12), consider enrolling your child(ren) in one of our academic sessions listed below. All sessions are taught by highly experienced California credentialed teachers and are designed to support students in math or language arts (reading comprehension, literary analysis, writing)—no matter the grade level.

We appreciate your referral... Let other parents know that *Teachers in Private Practice* offers academic advisement and enrichment to students in need of such services. THANK YOU! We appreciate.
